About Me

I am 29 years old.

I don't sit still and am always looking for something new. I travel often and for a long time. Because of this, I changed many employers.

EDUCATION

School

Tallinna 53 Keskkool

2002 - 2014, Tallinn

UNI

Estonian Academy of Arts

2016 - 2017, Tallinn

I was disappointed in the level of design that is taught at this university and I started my career as a designer on my own, so I studied for less than one year.
